LIABILITY WAIVER: The above signed, if not already a member of Orienteering USA, is granted a one-time guest membership to Orienteering USA for the date stated. Please note that this membership does not entitle you to the entire list of benefits of an annual member. Orienteering is a sport. As with any sport, participation can involve many potential risks of injury. These risks may result not only in serious injury, but also in permanent impairment of the participant's future ability.

In consideration of acceptance of this entry, intending to be legally bound, I do hereby for myself, my heirs, executors, and administrators, waive and release any and all rights and claims for damages I may have against Orienteering USA, the Cascade Orienteering Club and its members, the U.S. Government, the State of Washington, Washington Cities and Counties, and public and private land owners and lessees, their representatives, successors, and assigns for any injuries resulting from this event. Snohomish County, its officers, elected officials, agents and employees are released from all liability. I further attest that I recognize that participation in orienteering events may pose a risk of injury, and I attest that I accept that risk and further attest that I am physically fit.

If I rent a SPORTident electronic timing card (e-punch), I promise to return it. If I lose the e-punch, I agree to pay COC a \$40 replacement fee.
